Exploration Place and Cosmosphere Announce Discount Program

WICHITA, Kansas — Learn, explore and save with the new Discovery Discount at Wichita's Exploration Place and Hutchinson's Cosmosphere.

Launching today, guests who visit both the Cosmosphere and Exploration Place within 30 days will receive a \$5 discount at their second museum. The offer is valid on Exploration Place's All Access Pass and Cosmosphere's All Access Mission Pass. Visitors must present a receipt or ticket from the partner museum to qualify.

"We are fortunate to have two high-caliber, STEM-focused museums located less than an hour apart," said Adam Smith, Exploration Place President and CEO. "Not only does this partnership encourage tourism to our region, it also benefits the people living our respective communities."

The mission of Exploration Place, Kansas' premier science center, is to inspire a deeper interest in science and technology through creative and fun experiences for all. Exploration Place is open 10 a.m. to 5 p.m. daily and until 8 p.m. on Thursdays.

The Cosmosphere International SciEd Center & Space Museum is located at 1100 North Plum in Hutchinson, Kansas. Its collection includes U.S. space artifacts second only to the Smithsonian and the largest collection of Russian space artifacts outside of Moscow. Its hours are 9 a.m. to 5 p.m. Wednesday, Thursday and Sunday and until 7 p.m. on Fridays and Saturdays.
